

TO: State 4-H Specialists  
FROM: Tami Blair, Flag Ceremony Chairperson  
RE: Flag Ceremony for WRLF

I would like to have one person from each participating state to join us in the opening and closing flag ceremonies. They will also be asked to participate in a rehearsal before the ceremony.

I would like to ask that they wear white shirts and black pants for the ceremonies.

Provide a short statement 100-150 words with the following information:

Year state was inducted into the Union  
Year 4-H began in your state  
How many members and leaders in your state  
Number of delegates attending WRLF  
A short statement about your state  
Explanation of your state flag

I would like to have these statements to me by December 31<sup>st</sup> so I can organize them and make revisions if necessary.
